

Nebraska Commission for the Deaf

Cody McEvoy

- Coffee with Cody Podcast – ASL Vlog on 2 Deaf Nebraskans who are currently in college out of state, both share their experiences during Covid and what their colleges are doing during this time.
- Working on a video project to describe resources per Olmstead Plan for Deaf and Hard of hearing consumers and residences, this video will allow to be shared with other stakeholders, facilities, and agencies that may provide services to Deaf and Hard of Hearing individuals as presentations have been a challenge with social distancing guidelines. This video will provide those resources.
- We are providing assistance to the Lead K committee which was just recently passed in law that establish a language assessment program for children who are Deaf or hard of hearing.
